Kick it for me one time, Ted

Now that's it

I like that

(Give it up)
Just kick it

Yeah

Now alright

(Give it up)
Do it

Now I'm 'bout to do my thing

Are you ready?
(Give it up)

[VERSE 1]

Now my girl ain't callin, yet she ain't fallin
I went to the park with the boys and was ballin
And on the bench some other fellas was chillin
Puffin and smokin and tootin and illin
She breaks my heart and tears it all apart, it
Makes me so mad, I feel like startin
A fight, I want her bad, I need her so much
I'm in love, and I'm all shook up
She says she wants to keep me
But yet she's tryin to cheat me
Whatever I had, the girl's always tryin to beat me
I bought whatever, I checked or cashed
The truth of the matter is we just won't last
But I'll keep on trying, and this I'm not denyin
Cause I love you girl just that much, and I ain't lyin
Y'all
She's my honey, my sweet butter cup
I'm in love - and I'm all shook up
Hm-hm

Hm-hm

(Give it up)

[VERSE 2]

Now she's not a abused child, but sometimes she can
be wild

She wears the best when she dress and has a Colgate
smile

A sexy kinda lady, got skin just like a baby

She'll be my wife for life, no if's, no but's or maybe

Top-notch stuff, how dare you call my bluff?

She'll astound, to come down you need a cigarette to
puff

She looks so good, well, all I know is she makes me

Feel so good, it's like heaven she takes me

Don't know what I'ma do, but I'ma get it done

She's got me so mad, cause she keeps me on the run

She has an attitude, she can be nice when she wanna

But you can bet your bottom-dollar this girl ain't gonna

Make me or break me, she might shake me

But all she do is just make me

Mad, she wants to boss me, and yet she cost me

But in the end she'll say that she lost me

Which is a lie, but I love her really

Like a snake, ooh, the girl is deadly

But she's my honey, my sweet buttercup

I'm in love - and I'm all shook up

I'm all shook up

Hm-hm

(Give it up)

[VERSE 3]

Now I wanna knock on wood

Cause lately she's been good

And she's been doin all the things that one day I wish
she would

She gets up in the mornin, she fix my food

She walks around the house in the naughty nude

But it's too late, that girl I couldn't take

Cause I was for real, and she just was fake

But she's my honey. my sweet butter cup

I'm in love - and I'm all shook up

Hm-hm

Oh yeah

Hm-hmm

(Give it up)
Kick it, Ted

(Give it up)
Now that's it

Ooh, feels so good
(Give it up)

(Give it up)
Yeah, I like that

Yo, change it up a little bit
Change it up a little bit

Yeah

Now that's what I'm talkin 'bout

Gettin funky

(Give it up)
I'm all shook up

I'm all shook up
Hm-hm

(Give it up)

(Give it up)

(Give it up)

(Give it up)

(Give it up)

(Give it up)
(Give it)
(Give it up)

(Give it up)
