i will believe it  
i will believe it

its over boy  
everyone can tell  
no need to hide it from your friends  
its sad but its true  
you've got yourself to blame  
and you, will never understand  
dont try to talk me into it again

i will believe it  
when i see it  
with my own eyes  
no more lies  
i will believe it  
when i recieve the love that,  
makes me feel alive  
i will believe it  
when i see it  
with my own eyes  
no more lies  
i will believe it  
but i cant feel your love  
so... now i realise  
this is goodbye  
this is goodbye

lets face it boy  
its wasn't ment to be  
you and me  
don't you understand  
don't try to talk me into it again

i will believe it  
when i see it  
with my own eyes  
no more lies  
i will believe it  
when i recieve the love that,  
makes me feel alive

i will believe it  
when i see it  
with my own eyes  
no more lies  
i will believe it  
but i cant feel your love  
so... now i realise

i will believe it  
when i see it  
with my own eyes  
no more lies  
i will believe it  
when i recieve the love that,  
makes me feel alive  
i will believe it  
when i see it  
with my own eyes  
no more lies  
i will believe it  
but i cant feel your love  
so... now i realise  
this is goodbye
