Some lucky bum
Took away my right to some

Sweet honey love
Look what's been done to me, look what I've become

In for the fight of your life today
I'm givin' you a head start

You better run, bum
You better run, bum

Look what you've done, what you've become
One unlucky bum

In for the fight of your life today
I'm givin' you a head start

You better run, bum
You better run, bum

Coo coo coo coo quitter
Coo coo coo coo quitter

Run for cover or run to win
What will end your suffering?

You're like poetry
I'm givin' you a head start

You better run, bum
You better run, bum

You better run, bum
You better run, bum

Coo coo coo coo quitter
Coo coo coo coo quitter
