(bright light ep part 2)

Wet dreams and nightmares
You'll get both in me

I'm far away in a life on sirius
A life on sirius

And that's worth
That's worth everything
And that's worth
That's worth everything

East and west meet in me
I am the sand between the land and sea

I'm far away in a life on sirius
A life on sirius
And that's worth
That's worth everything
And that's worth
That's worth everything

And that's worth
That's worth everything
And that's worth
That's worth everything

That's worth everything

That's worth everything
