Chaperone me through this
Peace come to my home
I could suffer anything you offer
Just leave him alone

Power is the way to go higher

Bring some danger to it
Bring some danger to it

Bring some danger to it
Bring some danger to it

Chaperone me through this
(chaperone me through this)
Peace come to my home
(peace come to my home)

I could suffer anything you offer
(I could suffer anything you offer)
Just leave him alone
(just leave him alone)

Heyeah (heyeah) heyeah

Bring some danger to it
Bring some danger to it

(heyeah)
Bring some danger to it
(heyeah)
Bring some danger, some...

A stone will fly
A stone will fly

A stone will fly
(I know the story)
A stone will fly

(and I love the story)
A stone will fly
(I know the story)
A stone will fly
(and I love stories)

A stone will fly
(I know the story)
A stone will fly
(I know the story)
A stone will fly
(I know the story)
A stone will fly
(I know the story)
A stone will fly
(I know the story)

A stone will fly
(you know the story)
A stone will fly
(you know the story)
A stone will fly
(you know the story)

A stone will fly
(you know the story)
A stone will fly
(you know the story)
A stone will fly
(you know the story)

A stone will fly
(you know the story)
A stone will fly
Bring some glory...
