[Intro: Ghostface Killah]

Yea, yea

It's like rap pa', huh? What?

Y'all bitch-ass niggaz, what? What?

Leave a mark on your face, duke

Word, uh-huh, you fake fucks

Eh-yo, eh-yo, eh-yo..

[Ghostface Killah]

I bathe in a tub of guns, dry off with the clips

Now I'm automatic Jack, that's what I've become

Gangsta lean leanin, peach cobbler pockets fit the  
graham cracker

Outfit you still Dream of Jeanie in

Kings, stay 'greein, nightly prince Of Egypt

Plenty of days I read up, skied up, whips all beat up  
7:30, the sky is fallin, the most of this dyed with dirty  
urines

It's the dark-skinned Kris Kringle

Crisp bangle material, boggle minds how I popped up  
in your cereal

Rocks the eagle beat with the rocks pushed in

Pediatric wildin, grippin the floors like cushion

Samuel Jackson, Action Jackson, Mike Jackson, Staten

Dusthead niggaz that'll have you laugh, you call

Quicker, and we brawl in big arenas, G&C

Catch me in the spot with a guillotine

[Chorus 2X: Ghostface Killah]

In the back of the church, my book be the Book of Life

Donated nothin, hit the preacher wife

This go to all real niggaz that be shootin dice

Stashin ya cracks and maggots stick to me in life

[Kool G. Rap]

Eh-yo we pot of soil, shot our nines of chrome

Just watch how many minds get blown

When I cock mines behind your dome

They gon' find your bones

With your top popped behind your home

Havin a stumb' runnin to find ya phone

B.G.F. and when we the kind to roam  
Roll through ya hood and we shine the stones  
Blind every dime in the zone  
Shit on every line in the poem  
And drop a jewel like a diamond in Rol'  
B.G.F. war ones, let the fours dump in the forefront with  
your horse ones  
Your body found inside of a Ford trunk, smellin like  
four skunks  
Blast up and cut into four chunks  
Shot down and not found for four months  
Who playin outfield without a chest shield?  
Wanna move? Choose ya weapon of steel  
Nigga we 'bout reppin for real  
Only take a second to peel  
Should've known there was a Tec in the deal, nigga
