(Tanya narrating)

Once upon a time there was a happy family (a sweet little baby)

There was a baby girl, a daddy, and a mommy( a sweet little baby)

Mommy kept a secret she told a little white lie

and when she tucked the baby in at night, she sang her this lullaby

Verse 1:

You got your daddy's smile, you got his eyes  
I feel my heart breaking everytime you cry  
I'm gonna burn in hell, but its no sacrifice  
Your stability is worth a million lies  
I see your daddy, in everything you do  
And if you could talk, I'll bet you'll talk like him too  
but he can't be your daddy, I hope you understand  
the man who thinks he's your father  
is a much better man  
Maybe one day, you'll end up crying on Rikki Lake  
but baby its a chance your momma's willing to take  
'Cause I love you! even if my heart is gonna break  
Aint no reason you should suffer for my mistake

Chorus: And so I lie, baby I try, and it kills me inside  
but I'm gonna live with this until the day I die  
and I hurt, baby, oh how I hurt  
but I know what you're worth, yeah  
so I'm gonna live with this  
until I hit the dirt, someday

(Narrating)

And everyday by herself the momma cried and cried  
but at night she smiled when the daddy was by her side

There were times she almost told him, and it really broke her heart

but she forced herself to keep the secret that was

tearing her apart

Verse 2:

Now I can't sleep at night

I've lost my appetite

everybody keeps saying

"The baby looks kind of light"

and I tell them that every newborn baby looks the same

while I'm praying to God, "Please make your color

change"

the emotions on his face when he's looking at you
