I want it
I need it
I Love It
Uhhh huuhh
I want it
I need it
I Love it
Uhhh huuhh
Bring it down
Break it down
Ooh
Lay me down
Lay me down
Baby makin musik
Baby makin musik
Baby makin musik
Baby makin musik

Baby take it slow
Down to the stroke
We bout to get it poppin to to tonight
Kissing me from head to toe
Then we take it to the floor
I am yours and you are all mine

Your body's callin
Callin for me
Your body's callin
Callin for me
Your body's callin
Callin for me
Feels like I'm in ecstasy

Hook

Keep up with the flow
Ooo baby hey won't you give me
Give me more till my body's sore
She's wet just by your touch

Vibrating gyrating
Switchin up the pose
We in the zone

Your body's callin
Callin for me
Your body's callin
Callin for me
Your body's callin
Callin for me
Feels like I'm in ecstasy
