### INTRO

I guess Iâ€™m expected to say â€œGod bless youâ€, But  
you lef me, me never lef you  
And weh me deh right now, me cant even say â€œF  
youâ€ but me can say this though:

### Chorus

I hope you canâ€™t live without me, canâ€™t eat cant sleep  
cant breathe  
Canâ€™t get your mind to stop thinking about me, cant  
eat cant sleep cant breathe  
I hope you wind up lonely, canâ€™t eat cant sleep cant  
breathe  
Then you woulda wish you coulda still come hold me  
Canâ€™t eat cant sleep cant breathe

### Verse 1

I bet you think Iâ€™m supposed to smile, put the best  
outside  
Put on an act to protect my pride  
You want me to take it like a man, but Iâ€™m a girl who  
cries  
So if I puncture your tires donâ€™t be too surprised  
And while Iâ€™m at it, Hell! I may as well key up your car  
Cause what you did to my heart was an act of war  
For every step you take Iâ€™ll be one step behind, wonâ€™t  
let you get me out of your mind  
(Rept. Chorus)

### Verse 2

I should be allowed to be bitter, cause itâ€™s only fairâ€¦  
Iâ€™m falling apart but you donâ€™t care  
Why is she so happy? Why do you smile? And why  
arenâ€™t you guys fighting all the while  
like we did, I know it must be a charade, God please  
send me a shower to rain on their parade  
I hope sheâ€™s cheating juggling nuts like a squirrel,  
better yet I hope she leaves you for a girl,  
(Rept. Chorus)

### Verse 3

Bout oonu a go get married and you would love me to

be there  
I woulda tell you some things but them nuh fit fi the air  
Usually me woulda say goodbye, and I wish you well  
But not to you, I hope your life turns out to be hell  
I bet you think I want you to die, but no, I want you to  
live  
And suffer, and cry like I did  
IÂ'm just keeping it real, a just so me feel (Repeat  
Chorus)

#### Verse 4

She cant cook like me, cant jook like me  
She nuh know you in and out like a book like me  
She nuh full a style like me, cant make you smile like  
me  
And she can never give you a beautiful child like me  
Well she nuh tight like me, nuh fling it up right like me  
And if me buck her one-away she cant fight like me  
Yuh done know, say a just so it go (Repeat Chorus)
