"Fly Away"

I just wanna Fly Fly Fly  
Fly Fly Fly Away, Fly Away  
I just wanna Fly Fly Fly  
Fly Fly Fly Away, Fly Away

You're in my mind, in my thoughts, in my dreams  
Can't sleep at night  
Saw a picture of you and her  
Future seems bright  
Wondered what would it be  
What could it be  
If I was still with you ooooo  
Feel so alone damn what is a girl to do

Yep yep yep  
I wanna  
I wanna change lanes let you go  
I can't keep chasing when you gave up long time ago  
I gotta shake it off got a long way to go oh no  
Yep yep yep  
I wanna  
I wanna change lanes let you go  
I can't keep chasing when you gave up long time ago  
I gotta shake it off got a long way to go oh no

Hook

Running the rain running from the pain  
All through night I feel lost  
Blood pumpin through my veins  
Think I'm going insane  
Bypassing my heart  
Where do I go from here knowing that you are no  
longer around  
I can't breath  
Upper respiratory  
I'm about to shut down

Yep yep yep

I wanna  
I wanna change lanes let you go  
I can't keep chasing when you gave up long time ago  
I gotta shake it off got a long way to go oh no  
Yep yep yep  
I wanna  
I wanna change lanes let you go  
I can't keep chasing when you gave up long time ago  
I gotta shake it off got a long way to go oh no

Hook

At times I feel like crawling under a rock  
No matter how hard I try, the pain wont stop  
Where do I go how do I cope don't wanna stay mental  
block  
I feel so weak ant connect the dots
