You wonder why
At times I'm shy
Then down the line
All the boldness comes right out of me
My favorite word is anyway
Gotta get my way
Not the type to argue
I'd rather see you another day

Sometimes I'm hot
Sometimes I'm cold
I need some space
Hate to be alone
Not in the mood
I act a fool
I tell a lie
I tell the truth

Ladies let em know
Let em know
Let em know
Ladies let em know
Now look to your right and say
Ladies let em know
Let em know
Let em know
Ladies let em know
Now look to your left and say

I'm just a girl
I'm just a girl
I'm just a girl
I'm just a girl

I take my time
I hate to rush
No job to tuff for my touch
I'm such a perfectionist
This is the deal
Tell you how I feel
Don't care if it hurts you

If I'm ya friend ima keep it real

Sometimes I'm sweet
At times I'm tuff
I could hate ya
And I could love
At times I'm weak
Today I'm strong
Sometimes I'm right
Sometimes I'm wrong

Ladies let em know
Let em know
Let em know
Ladies let em know
Now look to your right and say
Ladies let em know
Let em know
Let em know
Ladies let em know
Now look to your left and say

I'm just a girl
I'm just a girl
I'm just a girl
I'm just a girl

Sometimes you might wonder
Y I do what I do
But you know I can't really explain it
It's just me and who I am
I can't help it
I'm just a girl
