It's friday night
And I just got home from work
And I'm tryna feel the wave
We bout surf n a turf

Lookin at my phone
Dozen texts they wanna go
To the club
To club club
Pull up in sum dubs

I'm popular
I'm popular
I'm popular
So popular
Aint no way
U can party like I do
A party aint a party
Without me
I kno they told u
I'm popular
So popular

So we up in da club
Vip love
Dress wit matchin pumps
Lookin like a million bux

Champaign in glass
Shakin dat ass
Dj showin luv bring tht bring tht beat back

I'm popular
I'm popular
I'm popular
So popular
Aint no way
U can party like I do
A party aint a party
Without me
I kno they told u

I'm popular
So popular

Drinks in the air
Bottles everywhere
Dancin on the tables
Who the hell cares
We party real major
Fuckem other haters
We gon party till the end of time!

I'm popular
I'm popular
I'm popular
So popular
Aint no way
U can party like I do
A party aint a party
Without me
I kno they told u
I'm popular
So popular
