Jealousy is raining down on me right now
As the fear of losing you is setting in
But I'll continue to do my best
Although it's scary
(Scary)
Wondering if this will be
The very first time to lose
And not to win
And I've got no back up plan
But I'm not a quitter
I'm not a quitter

I'm tryin' to scream but I can't breathe
Can anybody hear me?
I'm tryin' to dream but I can't sleep
Can anyone shield me?
I shut my eyes and hold my cries to myself
My pride's in the shelter
But I
Won't quit, never quit

Confidence is comin' back to me right now
As the strength of earning you is coming too
'Cause I've continued to do my best
Although it was scary
(Scary)
Wondering if this will be
My very first time to win
And not to lose
'Cause I've had no back up plan
But I'm not a quitter
I'm not a quitter

I'm tryin' to scream but I can't breathe
Can anybody hear me?
I'm tryin' to dream but I can't sleep
Can anyone shield me?
I shut my eyes and hold my cries to myself
My pride's in the shelter
But I
Won't quit, never quit

Confidence is comin' back to me right now
As the fear of losing you is setting in
But I'll continue to do my best
Although it's scary
(Scary)
Wondering if this will be
My very first time to win
And not to lose

I'm tryin' to scream but I can't breathe
Can anybody hear me?
I'm tryin' to dream but I can't sleep
Can anyone shield me?
I shut my eyes and hold my cries to myself
My pride's in the shelter
But I
Won't quit, never quit
Uhh
