Looks like I've fucked up again what's new  
I am always getting out of hand  
Though in control sometimes just don't give a shit  
I get raw, have fun, I love it, so sick of sayin' sorry

Those apologies have got to go  
But I, I don't intend to create a pain in your heart  
I am a pain in the ass  
'Cause that's what I am about

Day by day  
I can see a change in every way  
Some things get worse, some things get better  
I hate to say, I hate to say, say

Those blatant lies are now a part of my past  
I hope I don't get confronted  
Abusing others' minds through control  
I don't want it to last so here I go

I am on my way, I am leaving for good  
I pray that you forgive me for all of the harm that  
I caused, 'cause we were friends and we had some  
great times  
And that's why I am just fine, 'cause that's the way it is

Day by day  
I can see a change in every way  
Some things get worse, some things get better  
I hate to say, I hate to say

Day by day  
I can see a change in every way  
Some things get worse, some things get better  
I hate to say but I've declined

Day by day  
I'm in till my time

Day by day  
I can see a change in every way  
Some things get worse, some things get better

I hate to say, I hate to say

Day by day

I can see a change in every way

Some things get worse, some things get better

I hate to say but I've declined

All your ways
