I'm just a person like you
I'm just a fuck up that's true
But you're the only one I'll turn to by my side
Everyday and night it's time to
Climb out of this big black hole

Even if I can justify that I am alive and alright
You're still the one I'll turn to by my side
Everyday and night its time to
Climb out of this big black hole

So I cry alone
So I cry alone
I can't believe you drag me down again

Just when I thinkin' I'm fine
I always then realize
That I am the only one to turn to me inside
Everyday and night it's time to
Climb out of this big black hole

So I cry alone
So I cry alone
I can't believe you drag me down again

So I cry alone
So I cry alone
I can't believe you drag me down again

I'm just a person like you
I'm just a fuck up that's true
I'm just a person like you
I'm just a fuck up
I'm just a person like you
I'm just a fuck up that's true
I'm just a person like you
I'm just a fuck up

So I cry alone
(Just, just a fuck up)
So I cry alone
(Just, just a fuck up)

I can't believe you drag me down again
(Just, just a fuck up)
(Just, just a fuck up)

So I cry alone
(I'm just a fuck up)
So I cry alone
(I'm just a fuck up)
I can't believe you drag me down again
(I'm just a fuck up)
