I'm seein' tunnel vision in a world that's dark and cold
I can't believe how much I've changed since the days of
old
I know it's temporary but I need to focus straight
I can't believe I lost control of my fate

I need forgiveness from the people I truly care about
I need support behind my back to help me spit it out
I'm gonna win, I can't afford to blow this one

I hate myself sometimes I love myself
I need this way of life because it holds me
I hate myself sometimes I love myself
And contradiction's the way of life
Happiness is wealthiness is healthy

Now that I've made it through those lies and deceit
I think what's done is done and I can't complain
anymore
I'm sure that I've found myself again it feels great
I can't believe I'd lost control of my fate

I need forgiveness from the people I truly care about
I need support behind my back to help me spit it out
I'm gonna win, I can't afford to blow this one

I hate myself sometimes I love myself
I need this way of life because it holds me
I hate myself sometimes I love myself
And contradiction's the way of life
Happiness is wealthiness is healthiness

I hate myself sometimes I love myself
And contradiction's the way of life
Happiness is wealthiness is healthiness

I hate myself sometimes I love myself
And contradiction's the way of life
Happiness is wealthiness is healthiness
I hate myself sometimes I love myself
And contradiction's the way of life
Happiness is wealthiness is healthiness
