Well, I need to be around you
And I need to see your eyes on me now
'Cause I need to caress your face with mine
And I need to know that you care
'Cause I bleed in pain when I'm without your soul
'Cause I love you on a level so high

It's hard sometimes, I know
It's hard sometimes, I know
I'm so me around you
'Cause I'm me around you
We have to be together

Now, now
Now, now
Now, now
Now, now

I'll miss you while I'm gone
But here now is where I belong
Will you wait around for me?
Well, I hope so 'cause without each other we're wrong

It's hard sometimes I know
It's hard sometimes I know
I'm so me around you
I'm so me around you
We have to cheat together

Now, now
Now, now
Now, now
Now, now

I'll miss you while I'm gone
But here now is where I belong
Will you wait around for me?
Well, I hope so 'cause without each other we're wrong

Now, now
Now, now
Now, now

Now, now
