I gave it a chance I walked on glass,
And what did it get me?
Nothing,
I opened up I showed you love,
Why couldn't I see this?
Coming,
I've made mistakes but you take the cake,
But it's bitter so take it!

The end of days,
A forceful change,
I've tried my best,
You were never there for me;

You broke my back and played me,
You won just by driving me crazy,
You know i'm gone but maybe,
There's still another breath of life out there for me;
I played the same, but you changed the game,
I'm not gonna take it!
Sitting,
I'll be the man, the better man,
The bitter is sweet when you taste when!
Standing;

A sacred life,
Has been denied,
I've tried my best,
You would never care for me;

I hear what you say,
I've seen my mistakes
And I know i'm okay
Cause you're driving me crazy
