Chorus)

I can love you, (I can love you), I can love you (I can love you)

I can love you, (I can love you), I can love you (I can love you)

I can love you better than she can . . .

I can love you, (I can love you), I can love you (I can love you)

I can love you, (I can love you), I can love you (I can love you)

I can love you better than she can . . .

Mary J-

Sitting here, wondering why you don't love me,

the way that I love you and baby

Have no fear, cause I would never ever hurt you,

and you know my love is real and I can . . .

(Chorus)

I know sometimes can get rough, but we'll make it.

We'll make it through the storm and I know

I will try to make sure that you can trust me

And you know the reason why that I say . . .

(Bridge)

I can love you (I can love you) a little better than she

can

I know that you (I know that you) wish that you could be
my man

Cause I can love you better than she can

(Chorus)

Lil Kim-

If I told you once, I told you twice, Q-B,

Through the bootie, like a groupie for more ice

Armor truck heist, get the bone just like N'Bushe,

In love with you since the days that you say

Now I watch you play Columbo, Picasso

Tricks inside colassals, turn you castles to brothels, uh!

Who you lovin? Who you wanna be huggin?

Dippin on ya Ninja Honda with Tanisha and Rhonda,
wha!

You work more body than Jane Fonda,

Physical fitness, Mary Blige be my witness

Under pressure, I lie for ya, die for ya

Cougar by the side for ya, right hand high for ya

Because of you, I'm inheritin' trillions,

Buryin' billions, Bentley Coupe millions

Playin' good samaritan, in the sheridan,

Crack the Dom Pi's and Rim B's, you better hurry in

Who's gone love you like I do? Huh? Wha?

Who's gone treat you like I do? Huh? Wha?

Mary Blige, Lil Kim, hah-hah

Queen Bees, ah-hah, that's me

That's right, Mary J, Lil K . . .

Mary J-

Who's gonna make you feel the way I do?

Nobody, nobody

Who's gonna make you feel the way I do?

Nobody, nobody
