So tired, tired of all this drama,

You go your way, I'll go mine

I need to be free

Broken heart again

Another lesson learned

Better know your friends

Or else you will get burned

Gotta count on me

Cause I can guarantee

That I'll be fine

No more pain

No more pain

No more pain

No more pain

No drama

No more drama in my life

No one's gonna make me hurt again

Why'd I play the fool

Go through ups and downs

Knowing all the time

You wouldn't be around

Maybe I liked the stress

Cause I was young and restless

But that was long ago

I don't want to cry no more

No more pain

No more pain

No more pain

No more game

No more games messing with my mind

No drama

No more drama in my life

No ones gonna make me hurt again

No more tears

No more tears

I'm tired of crying every night

No more fears

No more fears

I really don't wanna cry

No drama

No more drama in my life

I don't ever want to hurt again

I wanna speak my mind

Wann speak my mind

Oooh it feels so good

When you let go of all the drama in your life

Now you're free from all the pain

Free from all the game

Free from all the stress

So try for happiness

I don't know

Only god knows where the story ends, for me

But I know where the story begins

Its up to us to choose

Whether we win or loose

And I choose to win

No more pain

No more pain

No more pain

No more game

I'm tired of you playing games with my mind

No drama

No more drama in my life

No more

No more

No more

No more...

No more tears

No more tears

No more crying every night

No more fears

No more waking me up in the morning

With your disturbing phone calls

No drama

Leave me alone

Go ahead

No more in my life

No more pain

No more

No more game

No more game

I'm tired, so tired

No drama

No more

No more

No more in my life

No more drama

No more drama

No more drama

No more drama
