1ST VERSE

While all the time that I was loving you
You were busy loving yourself
I would stop breathing if you told me to
Now you're busy loving someone else
Eleven years out of my life
Besides the kids I have nothing to show
Wasted my years - a fool of a wife
I should have left your ass long time ago

CHORUS

Well I'm not gon' cry
I'm not gon' cry
I'm not gon' shed no tears
No I'm not gon' cry
I'm not gon' cry
'Cause you were never worth my tears

2ND VERSE

I was your lover and your secretary
Working every day of the week
Was at the job when no one else was there
Helping you get on your feet
Eleven years of sacrifice
And you can leave me at the drop of a dime
Swallowed my fears - stood by your side
I should've left your ass a thousand times

(repeat chorus)

BRIDGE

I know there are no guarantees
In love you take your chances
But somehow it seems unfair to me
Look at the circumstances
Through sickness and health
'Til death do us part

Those were the words that we said from our heart
So now when you say that you're leaving me
I don't get that part

(repeat 2nd verse)

(repeat chorus)
