I wanna talk to the ladies tonight

About a situation I'm pretty sure y'all will be able to relate to

Trust me

Today I'm not feelin' pretty

See I'm feelin' quite ugly

Havin' one of those days

When I can't make up my mind

So don't even look at me

See I don't wanna hear your problem

Cause I'm havin' some of my own

I know it was not your fault that I'm feelin' down

I just wanna be left alone

Down I'm now in depression (way down)

I think the worst of everything (this ain't right)

My lower back is achin', and my clothes don't fit (oh shit)

Now ain't that a bitch (yes it is)

Got an attitude and I ain't talkin' to you (mad about everything)

Only if the shoe fits yeah

I don't care what you think about me (I don't care I don't care no)

I don't need you crowdin' round me

(I don't need your sympathy no)

I don't need it, no no

Oh don't need, don't need it

PMS

Goin' through somethin' at nights

And somethin' at day oh

I don't need to understand

Where I'm coming from tonight

See I'm PMS-ing

Told you, you would be able to relate tonight

My lower back is achin'

PMS

And I don't know what I'm gonna do next

I'm full of stress

I want y'all to hear what I'm sayin' tonight

I want y'all to hear what I'm sayin' tonight

PMS, PMS, PMS

Understand what I'm sayin' tonight

Understand where I'm comin' from

Feelin' really bitchy yeah

And I don't feel like bein' nice to nobody

Don't feel like smilin' no

Don't feel like smilin' no no

See I already know that I'm fuckin' up

PMS

And I don't need you to remind me no

Because PMS, is takin' over right now

If you understand, understand where I'm comin' from

Sing along, PMS

Oh this is the worst part of everything

The worst part of bein' a woman is PMS

Give me a break, give me a break

Cause I don't wanna have to set it on tonight

Set it on, get away away away cuz I'm PMS-ing yeah
