[J Formz]

When I spill raps, I kill tracks, still pack and still clap  
How ill's that? You still rap? You're still wack, I fill gaps  
I rip raps and you steal raps, mismatched goin' against me

Still spit ill raps, how you gon' prevent me?

Don't tempt me to say your name

Leave the clip empty and spray your brain

You mother fucker's suck, a plain fact that I stated

You wack, and I'm bringin' the game back so you hate it

It's all good I guess, just pray I don't eva see ya

Walkin' down the street when I just happen to have the heater

You faggots feel safe cause I'm hot right now

Talkin' shit cause I'm busy runnin' from cops right now

But when it's all said and done, the world's hearin' me now

Don't be mad cause the fans you had are feelin' me now

I'll kill you in every way possible

When you disappear physically and lyrically, just know that I'm responsible

Me spittin' is like a problem landin' on the beat

1 shot, you gon' have problems standin' on your feet

J Formz: Yeah! I'm fuckin' killin' 'em with every track...We comin' hard!

Out, 1
