"Take A Stand"

Visit "[Take A Stand](#)" on MotoLyrics.com

Yeah, yeah, check it, I won't ever give up

I won't ever give up, I'ma keep livin'
Don't be another sheep in the system, even if it means
being different
Don't stop until you complete your mission, but keep
spittin'
'Cause it beats being in prision
I won't be schemed by the justice system,
the judge is Christian, that's why I don't trust religion
Won't be another victim of these modern day sieges
Yeah I am Italian, the same ones who killed Jesus

We're still breathing, can't be locked in this heartless
coffin
Control my life and no Illuminati's watching
I know I've been a part of this beast
Smoking shard, passin' grass to the next heartless
creep
I've found myself trying to sculpture God, make him
smile
Settin' hard, bet it looks nothing like him

I will not conform!
I will not be a part of your war!

Stand up! Raise ya hand, if you won't be another
puppet
Stand up!
Stand up! Raise ya hand, if you won't be another sheep
Stand up!
Stand up! Raise ya hand, if you won't be another sucker
Stand up!

This is our life, your life, my life, our life
This is our life!

Freedom figher's got the whole world terrified
[scratched]

I will not leave this earth, till I got what I deserve, man

I'm not working for the man, I never even shook his
hand
Will not be a part of "the plan" like that's easier
Mass media, makin' you look like Brad and Angelina
White trash made with passion, not to change the
masses

Explain the place I'm trapped in, escape the madness

Scream as you [,] and find my life
Won't die on my knees, stand up and scream "I'M
ALIVE!"
Say it with pride, not telling you what to think
I'm not them, I'm a slap in the face making you not
forget
You spend your life tryna be dope or something
Spend your life doing what you're dope at, become it
It ain't a revolution, it's execution and retribution
A movement for the better of every human
I take a stand and slam my hands up, jam my amp up
Take a stand, don't give a damn if you've got the
answer

MAN UP! I'll be the booth, I'll speak the truth
Believe me if you're not speaking true
I'll see ya [,]
Being the demon they've been teaching you
I'ma be me, that's being true

I will, not, be you!

Stand up! Raise ya hand, if you won't be another
puppet
Stand up!
Stand up! Raise ya hand, if you won't be another sheep
Stand up!
Stand up! Raise ya hand, if you won't be another sucker
Stand up!

This is our life, your life, my life, our life
This is our life!

Freedom fighter's got the whole world terrified
[scratched]

Stand up!
Stand up mate, stand up! Stand up mate

Freedom fighter's got the whole world terrified
[scratched]
