Oh, I, baby what a fool I am
First a boy and then a man, am I
And you, you're the heart of it all
You're the things I say and do
Am I wasting my time, hangin' around?
You would be gone

But I can't help it
Ev'ry moment that I think about you
Ev'ry day and ev'ry night without you, I can't survive
Love, take away the lonely days gone by
Make it ev'ry day for you and I
Givin' me the chance to go on believin'
Girl, you gotta go on believin'
Boy, you gotta go on believin'

You, baby you're the breathe I take
Coming for a heart in love, am I
And you, you're the heart of it all
You're the things I say and do
Am I wasting my time, hangin' around?
You would be gone CHORUS
