My heart stopped beating
The day
That you got busy
Busy digging my grave
Da da da dying
Da da da dying
Da da da dying here

And oh like,
Like out of nowhere
You changed
So for that feeling
Feeling it in my veins
Da da da dying
All used up and crying
I'm da da da dying here

(Chorus)
You Bitch
He's mine
You're such a waste of time
You better give him back to me
You bitch
He's mine
Go find some other guy
You better give him back to me
Oh, you can't love him like I love him
You don't know him like I know him
You bitch
He's mine
You're a waste of time
You better give him back to me
Back to me

So watch your front
And your back
Cause you can't take him
Away from me, like that
See you never tell the truth
And all you do is lie
It doesn't even bother you

To know that I'm not fine
I'm, da da da dying
All used up and crying
I'm da da da dying here
Da da da dying here

(Chorus)
You Bitch
He's mine
You're such a waste of time
You better give him back to me
You bitch
He's mine
Go find some other guy
You better give him back to me
Oh, you can't love him like I love him
You don't know him like I know him
You bitch
He's mine
You're a waste of time
You better give him back to me

Somebody's gonna pay for this one
Nobody's gonna break my heart again
Somebody's gonna pay for this one
Give me what's mine
So I can finally breathe again

I'm dying here
Da da da dying
All used up and crying
I'm da da da I'm dying here

(Chorus)
You Bitch
He's mine
You're such a waste of time
You better give him back to me
You bitch
He's mine
Go find some other guy
You better give him back to me
Oh, you can't love him like I love him
You don't know him like I know him
You bitch
He's mine
You're a waste of time
You better give him back to me

You bitch
He's mine

Go find some other guy
You better give him back
Better give him back
Back to me
