Forced to fight as dropouts while our decadence commends our efforts now Singing songs of cop-outs hoping fallacy defends my doubt

Stuck inside a life that's broken caving in from the world I've Chosen
Stuck inside a life a life that's broken maybe somewhere inside lies my soul

Seeing through this tainted view of life and love and legacy and me
Have been following a trend that's broken and lost the road to being free

This life is not my home this life is not my own Together we're alone
