Ennyminey desaminy punana warraminy  
(Eeny meeny deci meeny oo na na walla meeny)  
Yip belly wapum bapum bobo wa hipum

New Style New Style we got the new style,  
Freestyle Meanwhile sister got it by a mile,  
Lifestyle, girls smile, we can do it all the while.  
Telephone dialing, rub-a-dub styling.

On a really cool tip, You can be a part of this trip  
All you gotta do is this, I said, All you gotta do is this.

(Ooooooooooooooh!) Read my lips!

Watch me do it, you can do it this way  
North and South and East and Westway  
Monday to Sunday, gotta be a funday  
We don't care what anyone's gonna say

On a really cool tip, You can be a part of this trip  
All you gotta do is this, I said, All you gotta do is this.

All you gotta do is this, I said, All you gotta do is this.
