I Still believe in your eyes  
I Just don't care what you've done in your life  
Baby I always be here by your side  
Don't live me waiting too long  
please come by

I....

I still believe in your eyes  
There is no choice  
I belong to your life  
Because I'll be to love you someday  
You'll be my baby  
And will fly away  
and I'll fly with you  
I'll fly with you

Everyday and every night  
I always dream back you're by my side  
Oh baby  
Everyday and every night  
Will I so envi it's all to be all right  
I'll fly with you  
I'll fly with you

I Still believe in your eyes  
I Just don't care what you've done in your life  
Baby I always be here by your side  
Don't live me waiting too long  
please come by  
And I'll fly with you

Everyday and every night  
I always dream back you're by my side  
Oh baby  
Everyday and every night  
Will I so envi it's all to be all right  
I'll fly with you  
I'll fly with you
