[Music & Words: F. Doernberg]

I wear dark sunglasses at night  
So I can walk around and hide  
The pain that burns so deep inside  
I wear dark sunglasses at night

I wear dark sunglasses at night  
So I still pretend I'm doin' right  
Although My faith and trust have died  
I wear dark sunglasses at night

[chorus]

Livin' in the shade, my friend, is like swimming in the  
sand  
I've spend my nights in the neon lights and there ain't  
no helpin' hand  
Maybe now I've reach the end - and when I finally pass  
away  
To take my glasses off - have a drink on me spread my  
ashes on a  
windy day

[solo Eggi] [solo Ferdy]

I wear dark sunglasses at night  
I show a smile and a lotta pride  
While in my heart the demons fight  
I wear dark sunglasses at night

I wear dark sunglasses at night  
I did my best - Lord, how I tired  
I shut my eyes now open wide  
I wear dark sunglasses at night

[chorus]

Livin' in the shade, my friend, is like swimming in the  
sand  
I've spend my nights in the neon lights and there ain't  
no helpin' hand

Maybe now I've reach the end - and when I finally pass  
away  
To take my glasses off - have a drink on me spread my  
ashes on a  
windy day

I wear dark sunglasses at night  
Lost my only love on the other side  
Maybe now she's some kinda devil's bride  
I wear dark sunglasses at night

I wear dark sunglasses at night  
So noone can see the tears I've cried  
Maybe I should've booked another flighth  
I wear dark sunglasses at night
