I've been thinking about the trouble
We've got troubles
That's not easy to hide
It's just a minor complication
In relation to the natural kind

I think it's time to get away from here
Away from here
Leave all our troubles far behind
Move to the country where the coast is clear
Coast is clear
Someplace the sun will always shine

And, we'll be on our way
Whooooa
In your arms to stay
Whooooa
Leave it all behind
Whooooa

There's no need to second guess
When our love's put to the test
We will find
It's just a minor complication
In relation to the natural kind

I think it's time to get away from here
Away from here
Leave all our troubles far behind
Head for the country where the coast is clear
Coast is clear
Someplace the sun will always shine

And, we'll be on our way
Whooooa
In your arms to stay
Whooooa
Leave it all behind
Whooooa

And we'll be on our way

Whooooa
In your arms I'll stay
Whooooa
Leave it all behind
Whooooa
