Yeah, I just wanna thank you for
All the knowledge you've given me
And all that brain you gave me
In between your Math and English class, I love you
She's a bad dame, she doin' her thang
That girl right there got knowledge
Her mom and dad was happy as hell
When they sent that girl to college
She's a college girl, she's nasty
She's a college girl, she's nasty
She's a college girl, she's nasty
She's a college girl, she's nasty
She's a college girl, she's nasty
She's a college girl, she's nasty
She's a college girl, she's nasty
She's a college girl, she's nasty
She on MySpace, pretty face
I seen her when I post my bulletin
She was thick as hell, never went to Yale
Studied at Cal State Fullerton
Sac State, they go irate

The hoes just try to rush me
She said she new as hell, her face was pale
She cheerlead for Washington Husky's
Her name is Pam, she like to suck
To date a rap star is her dream
She go to Spelman, mixed breed
Player on the basketball team
I like 'em small, I like 'em tall
Bitch just get in my car
Educated, long hair second year UCR
She all wet, glistenin'
Fresh up out the shower
I'm in the dorm room, smokin' weed
When the campus all that hover
White girl, super blonde
Tryin' get her ass on me
I'm at the frat party feelin' myself
Damn, I love USC
She's a bad dame, she doin' her thang
That girl right there got knowledge
Her mom and dad was happy as hell
When they sent that girl to college
She's a college girl, she's nasty
She's a college girl, she's nasty
She's a college girl, she's nasty

She's a college girl, she's nasty

She's a college girl, she's nasty

She's a college girl, she's nasty

She's a college girl, she's nasty

She's a college girl, she's nasty

AUM in Atlanta is where I met this girl

She was light bright just like Whitney

From the show 'A Different World'

But she had a friend from NYU

That said she liked my group

She told me that she would get naked

And show me the chicken noodle soup

But I remember this batch from TU

When we went to Tuskegee

She was majoring in anatomy

Me and Charlene was so freaky

And WSU in Washington

I met this one cheerleader

She was flunking class but she thought me thangs

About how to please a young senorita

I'll never forget in Cancun

Where all the college girls go

I met a psych major from TSU

That gives counseling ways below

Now we in Chino with CSU

Pomona New Fair Project

This Puerto Rican girl, how she used her mouth

I swear damn she had great logic

She's a bad dame, she doin' her thang

That girl right there got knowledge

Her mom and dad was happy as hell

When they sent that girl to college

She's a college girl, she's nasty

She's a college girl, she's nasty

She's a college girl, she's nasty

She's a college girl, she's nasty

My college girl, super smart

Give head like she a genius

UNLV foreign exchange

Late night strip club, you'll see her

My staff abroad, oh my God

On the low in the 650

Solano College, community freak

She go, she's a part time hoe

Sac City, American ripper

Bay fig in the 916

Out in San Mateo, CSN

Yeah, her parents got chips, she rich

Across the bridge, USF

My freak from Sausalito

She fine as wine [Incomprehensible]

[Incomprehensible] the dick like deebo

Cal Berkeley extra curricular

Oh man, they love your nigga

She's red ballin', big ass lips

Kinda look like Jigga's sister

334 Alabama

It's donkey in Montgomery

She's extra country, bow-legged

When school's out, she's in for me, yeah

She's a bad dame she doin' her thang

That girl right there got knowledge

Her mom and dad was happy as hell

When they sent that girl to college

She's a college girl, she's nasty

She's a college girl, she's nasty

She's a college girl, she's nasty

She's a college girl, she's nasty

She's a college girl, she's nasty

She's a college girl, she's nasty

She's a college girl, she's nasty

She's a college girl, she's nasty
