[2009 re-release bonus track]

Ego selfish prima donna  
Dancing in your poisoned cage  
Thinking that your conscience's clearer  
If you drink your dreams away

Feed your anger to the devil  
In yourself built wishing well  
Take a swim in muddy waters  
All the dirt will leave a trail

Had enough symphonies of sorrow  
Be so brave and weep me away  
Masterpiece of treachery

Built a wall and made me crumble  
Just because I am in love  
Don't you lie, that you kept all  
Those are toys that you have got

Smash the mirror of the version  
Keep the dagger that you made  
Mirror, mirror, is there someone  
Who can make your day today

Had enough symphonies of sorrow  
Be so brave and weep me away  
Had enough symphonies of sorrow  
Be so brave and weep me away  
Masterpiece of treachery

Kept my thoughts buried in a box  
When it's shut, I still kept it locked  
You draw a play written with my blood  
Went ahead just to feed the lot

Had enough symphonies of sorrow  
Be so brave and weep me away  
Had enough symphonies of agony  
Be so brave and weep me away  
Masterpiece of treachery
