No more champagne  
And the fireworks are through  
Here we are, me and you  
Feeling lost and feeling blue  
Its the end of the party  
And the morning seems so grey  
So unlike yesterday  
Nows the time for us to say...  
Happy new year  
Happy new year  
May we all have a vision now and then  
Of a world where every neighbour is a friend  
Happy new year  
Happy new year  
May we all have our hopes, our will to try  
If we dont we might as well lay down and die  
You and i  
Sometimes I see  
How the brave new world arrives  
And I see how it thrives  
In the ashes of our lives  
Oh yes, man is a fool  
And he thinks hell be okay  
Dragging on, feet of clay  
Never knowing hes astray  
Keeps on going anyway...  
Happy new year  
Happy new year  
May we all have a vision now and then  
Of a world where every neighbour is a friend  
Happy new year  
Happy new year  
May we all have our hopes, our will to try  
If we dont we might as well lay down and die  
You and i  
Seems to me now  
That the dreams we had before  
Are all dead, nothing more  
Than confetti on the floor  
Its the end of a decade  
In another ten years time

Who can say what well find  
What lies waiting down the line  
In the end of eighty-nine...  
Happy new year  
Happy new year  
May we all have a vision now and then  
Of a world where every neighbour is a friend  
Happy new year  
Happy new year  
May we all have our hopes, our will to try  
If we dont we might as well lay down and die  
You and i
