Martin:

I'm sitting here alone, what else could I have done?
I can't regret 'cause I don't even know what I did wrong
Freedom died with you, I'm searching for myself
When I feel alive

What about me?

Leaving you for me (what about us?)
Try to understand
That I'm only leaving you for me (are you trying to hurt
me?)
Demons in my head, they won't let go

Tarja:

Hiding from the truth,
He's drifting through his thoughts
I can't let go exploring every corner of his soul
Life has to go on, you'll still find your way
I wanna feel alive!

What about me?

Leaving you for me (what about us?)
Try to understand
That I'm only leaving you for me (are you trying to hurt
me?)
Demons in my head, they won't let go

Martin: I've locked the door...

Tarja: Deep inside...

Martin & Tarja: Different memories...

Tarja: I've lost what counts, deep inside, different
stories...

Martin: What about you? What about me?

Leaving you for me (what about us?)
Try to understand
That I'm only leaving you for me (are you trying to hurt
me?)
Demons in my head, they won't let go
