Hyvyyden varjo peittäkö kyyneseen,
Iännytneen luo vie askeleen.
Rauha saa, kehto uneen tuudittaa.
Toivo jää, tie rakkauteen.
Tie syvästä vapauteen.

English translation:

The shadow of goodness covers the tear,
Takes the step to the one found.
Peace may, rock the cradle to sleep.
Hope remains, a way to love.
A way to a deep freedom.

Corrected translation:

The shadow of goodness covers the tear,
Takes the step to the one who has found.
Peace arrives, the cradle rocks to sleep.
Hope remains, a way to love.
A way to deep freedom.
