

Feeling, The "All You Need To Do"

You say you don't know what you want to be
You can't afford a third degree
And now you're nearly twenty three

And your daddy wants to know
What you're doing with your life
Well, tell him it'll always be worthwhile
For when I feel wrong, you make me strong

All you need to do is say I love you anyway
A few little words and I am good for another day
And then I'll tell myself maybe next time I'll make a
change
All you need to do is say I love you anyway
And I'm back again

(Open up your heart, sing)
I love you
(It's a cure for everything)
I love you
I'm back again

(Doesn't matter where you've been)
I love you
All you need to do is say I love you anyway

Crazy morning, freak out, warning
Boozy winters, firewood, splinters
Morning after another disaster
I'm looking at the mess and baby, I feel so ashamed

All you need to do is say I love you anyway
Oh, all you need to do is say I love you anyway
And I'm back again

(Open up your heart, sing)
I love you
(It's a cure for everything)
I love you
I'm back again

(Doesn't matter where you've been)
I love you
(Baby, you can only win)
I love you
(Open up your heart, sing)
I love you
All you need to do is say, I love you anyway

Greedy sometimes, pushy and unkind
But when I do wrong, you smile, it's gone
Da-da-da-dum-da-da
Da-da-da-dum-da-da

All you need to do is say, I love you anyway, yeah
Ooh
