Loneliness

ah-ah-ah

Loneliness

What is the point of it?

Loneliness

ah-ah-ah

Loneliness

Right now

I'll take a penny for my thoughts

Right now

I'm overcharging you of course

Right now

But I've a question for you all

Whose idea was it?

What is the point of it?

I can't carry on this way

Please let me stay, oh babe

We don't have to be this way

Please let me stay

Right now

It claps a thunder in my brain

Right now

My head is spinning with the pain

Right now

It's so illogical and strange

Can't get over it

What is the point of it?

I can't carry on this way

Please let me stay, oh babe

We don't have to be this way

Please let me stay

It started out so well

I even tried to take it slowly

But now you're cold as Hell

That old north wind has blown these flames away

Loneliness
ah-ah-ah
Loneliness
What is the point of it?

I can't carry on this way
Please let me stay, oh babe
We don't have to live this way
Please let me stay, oh babe

It started out so well
Yeah! Yeah!
It started out so well
Yeah! Yeah!

Right now
