"Say No"

Even as the sun hits the morning breeze,
Warming up the chill as it moves the tress,
Tell me will you come for a stroll with me,
All you ever do is say no.
If I took a line from your favorite song,
Wrote it in the sky with the stars that shone,
I could never get you to sing along,
All you'd ever do is say no.
Ooh oh, say no. Ooh oh, say no. Ooh oh, say no. Ooh oh
I dream about a world only we can know,
Dream about a car and a dog in tow,
Dream about the places that we can go,
But all you ever do is say no.
I must be a fool cause I play this game,
Shakin' off the dust and I try again,
Tell me what I did to deserve these blows,
All you ever do is say no.
Ooh oh, say no. Ooh oh, say no. Ooh oh, say no. Ooh oh
I know what you do, I know what you do,

You string me along, it keeps you amused
Say no. Ooh oh, say no. Ooh oh
When I say one thing and you say another,
When I say love, you run for cover.
When I say one thing and you say another,
When I say love, you run for cover.
I know what you do, I know what you do,
You string me along, it keeps you amused
Say no. Ooh oh, say no. Ooh oh
You give me nothing baby,
I say one thing, you say another baby.
I say love and you run for cover baby.
I say one thing, you say another baby.
I say love and you run for cover baby.
I say one thing, you say another baby.
I say love and you're breaking my heart baby, breaking
my heart baby,
Breaking my heart baby, breaking my heart baby.
Say no. Ooh oh, say no. Ooh oh, say no. Ooh oh, say no.
Ooh oh
I know what you do, I know what you do,

You string me along, it keeps you amused
Say no. Ooh oh, say no. Ooh oh
