Give me the song and I'll sing it like I mean it
Give me the words and I'll say them like I mean it

Coz you got my heart in a headlock
You stopped the blood and make my head soft
And god knows
You've got me sewn

Nah nah nah...

Danny boy
Don't be afraid, to shake that ass
And misbehave
Danny boy
I know you got time
But what are you waiting for?
Anyway
The dust may just blow away
If you wait for a windy day
But you may find the chance has past you by

I can't do the walk
I can't do the talk
I can't be your friend
Unless I pretend

So give me the song and I'll sing it like I mean it
You give me the words and I'll say them like I mean it
(Aaah yes)
Coz you've got my heart in a headlock
You stopped the blood and make my head soft
And god knows
You've got me sewn

Nah nah nah....

Danny boy
Don't be a fool
Take upon to break a rule
Danny boy
Your lookin so low

You lookin like the dead grown old
Anyway
Your blues may just wash away
If you wait for a rainy day
But you may find, the chance has past you by

I can't do the walk
I can't do the talk
I can't be your friend
Unless I pretend

So give me the song and I'll sing it like I mean it
Give me the words and I'll say them like I mean it
(Aaaah)
Coz you've got my heart in a headlock
You stopped the blood and make my head soft
You've got my heart in a headlock
You stopped the blood and make my head soft
An make my head soft
An made my head soft
You make my head soft
An make my head soft
Yeah, yeah, yeah
Oh Yeah, yeah, yeah
(Aaaah)
