I heard you on the wireless back in '52  
I'd lie awake intent in tuning in on you  
If I was young it didn't stop you coming through

Oh, oh

They took the credit for your second symphony  
Rewritten by machine, a new technology  
And now I understand the problems you can see

Oh, oh  
I saw your children  
Oh, oh  
What did you tell them?

Video killed the radio star  
Video killed the radio star  
In my mind and in my car  
Oh, uh-oh, oh, oh

So now we sit in an abandoned studio  
I hear the playback and it seems so long ago  
Do you remember the jingles used to go

Oh, oh  
You were the first one  
Oh, oh  
You'll be the last one

Video killed the radio star  
Video killed the radio star  
In my mind and in my car  
We can't rewind we've gone to far  
Oh, uh-uh, oh, oh  
Oh, uh-uh, oh, oh

Video killed the radio star  
Video killed the radio star  
In my mind and in my car  
We can't rewind we've gone to far  
Pictures came and broke your heart

We put the blame on VCR

Oh, ahhh radio star

Oh, ahhh radio star

Video killed the radio star
