(feat. Van Canto)

Two faced drama rebellion  
Are you the Joker, King or Queen?  
Place your cards as they're coming  
Came to win  
Lost everything  
Gambling rider pull the strings  
Pull them tighter

Let them in  
Come and play another day  
Throw your mask away  
I don't care what you say  
Cause your lovely words decay  
Come and play another day  
Welcome to the anteroom of death

Hide your conspiracies so  
Who's got the keys  
And who has not?  
Sell your fortune to me  
Cause I can still read behind all that  
Burn your fingers  
Trade a dream  
Watch the clock as it's ticking

Come and play another day  
Throw your mask away  
I don't care what you say  
Cause your lovely words decay  
Come and play another day  
Welcome to the anteroom of death

Blinded in the dark  
I'm touching the scars of tainted hearts  
If you're searching  
Learn to see  
Honesty is all you need  
Take a bow  
Finally

Come and play another day  
Throw your mask away  
I don't care what you say  
Cause your lovely words decay  
Come and play another day  
Welcome to the anteroom of death
