Sometimes I see the pulse

numb I feel,

so unreal.

Blood on my lips I taste the heavy lead.

What can I find behind the mirror,

Iâ€™ll never know.

Whoâ€™s the reflection within?

Should I frame for you the other world?

Another world?

Iâ€™ve heard the voices of Elysium.

The scent of a sudden wish,

never there, everywhere.

Read me the space in-between.

Come to me

I cried

I need you.

I'm seeking

the gates unfold inside

my lost soul

in the dark.

Far beneath my breath

Iâ€™m burning

at my core.

Show me how

let me see beyond

I will find

my Crimson Deep  
Sharp is the edge of all discovery,

now I see.

A scar without suffering, impossible.

I'll wait until my last day

with no shame.

Who's to blame?

Shaping the signs left for me.

Come to me

I cried

I need you.

I am seeking

the gates unfold inside

my lost soul

in the dark.

Far beneath my breath

I'm burning

at my core.

Show me how

let me see beyond

I will find

my Crimson Deep
