Open up the night.
Led by just a feeling.
All around is light.
Everything is healing.

No more fate and no more mystery.
Even as time falls away
I live my days
Every moment and its memory,
Not only to survive to die alive.

Overwhelming love,
Heaven's just a feeling.
Singing in my blood
Keeping me from kneeling.

No more fate and no more mystery.
Even as time falls away
I live my days
Every moment and its memory,
Not only to survive to die alive.

Die alive.

No more fate and no more mystery.
Even as time falls away
I live my days every moment and its memory,
Not only to survive to die alive.

Die alive.
Die alive.
