Happy New Year

No more champagne
And the fireworks are through
Here we are, me and you
Feeling lost and feeling blue
Its the end of the party
And the morning seems so grey
So unlike yesterday
Nows the time for us to say...
Happy new year
Happy new year
May we all have a vision now and then
Of a world where every neighbour is a friend
Happy new year
Happy new year
May we all have our hopes, our will to try
If we dont we might as well lay down and die
You and i
Sometimes I see
How the brave new world arrives
And I see how it thrives
In the ashes of our lives
Oh yes, man is a fool
And he thinks hell be okay
Dragging on, feet of clay
Never knowing hes astray
Keeps on going anyway...
Happy new year
Happy new year
May we all have a vision now and then
Of a world where every neighbour is a friend
Happy new year
Happy new year
May we all have our hopes, our will to try
If we dont we might as well lay down and die
You and i
Seems to me now
That the dreams we had before
Are all dead, nothing more
Than confetti on the floor
Its the end of a decade

In another ten years time
Who can say what well find
What lies waiting down the line
In the end of eighty-nine...
Happy new year
Happy new year
May we all have a vision now and then
Of a world where every neighbour is a friend
Happy new year
Happy new year
May we all have our hopes, our will to try
If we dont we might as well lay down and die
You and i
