Whenever I wake up
I'm lost and always afraid
It's never the same place
I close my eyes to escape
The walls around me

And I drift away
Inside the silence
Overtakes the pain
And in my dreams

I feel immortal
I am not scared
No, I'm not scared
I feel immortal
When I'm there
When I'm there

Whenever I wake up
The shards of us cut within
Always the same day
Frozen out in the fringe
I surrender to the sleep
And leave the hurt behind me
There's no death to fear
And in my dreams

I feel immortal
I am not scared
No, I'm not scared
I feel immortal
When I'm there
When I'm there

So far or right beside me
So close, but they can't find me
Slowly, time forgets me
I am only, only dreaming
Don't wake me up!
