Drifting... words without meaning  
Twisting... through the dark concealing  
Search again, your reflection lives within.

Shades of the labyrinth  
The path lies ahead

If you believe  
Truth her name is honesty  
Let her shine through your darkest temptation  
Hidden deep  
In sincerity  
With your painted smile  
So revealing  
Tarnished yet there's no fear in me  
Feeding the flower that dies  
Is a ray of light  
Is a ray of light

Roaming... colours they were sleeping  
Senses... they are never-ending  
Find again the beauty in the suffering

Shades of labyrinth  
The path lies ahead

If you believe  
Truth her name is honesty  
Let her shine through your darkest temptation  
Hidden deep  
In sincerity  
With your painted smile  
So revealing  
Tarnished yet there's no fear in me  
Feeding the flower that dies  
Is a ray of light  
Is a ray of light
