Martin:

I'm sitting here alone
What else could I have done?
I can't regret 'cause I don't even know what I did wrong
Freedom died with you
I'm searching for myself
When I feel alive

(What about me?)

Chorus:

Leaving you for me (What about us?)
Try to understand
That I'm only leaving you for me
I try to hold back
Deep inside my head
It won't let go

Tarja:

Hiding from the truth
His strange been through his thoughts
I can't let go exploring every corner of his soul
Life has to go on
You still find your way
Or I feel alive

(What about me?)

Chorus:

Leaving you for me (What about us?)
Try to understand
That I'm only leaving you for me
I try to hold back
Deep inside my head
It won't let go

Martin:

I've locked the door

Tarja:

Deep inside

Both:

Different memories
Tarja (Martin talking):
Lost what counts
deep inside,
different stories...

(What about me?)

Chorus:
Leaving you for me (what about us?)
Try to understand
That I'm only leaving you for me
I try to hold back
Deep inside my head
It won't let go

Leaving you for me
(Tarja: Leaving you for me....)
(What about us?)
Try to understand
(Martin: Try to understand)
That I'm only leaving you for me
I try to hold back
Deep inside my head
It won't let go

Tarja:
Ooooh....
Martin:
I try to hold back
