Poison

Your cruel device  
Your blood, like ice  
One look could kill  
My pain, your thrill

I want to love you but I better not touch (don't touch)  
I want to hold you but my senses tell me to stop  
I want to kiss you but I want it too much (too much)  
I want to taste you but your lips are venomous poison  
You're poison running through my veins  
You're poison, I don't want to break these chains

Your mouth, so hot  
Your web, I'm caught  
Your skin, so wet  
Black lace on sweat

I hear you calling and it's needles and pins (and pins)  
I want to hurt you just to hear you screaming my name  
Don't want to touch you but you're under my skin (deep in)  
I want to kiss you but your lips are venomous poison  
You're poison running through my veins  
You're poison, I don't wanna break these chains

I want to love you but I better not touch (don't touch)  
I want to hold you but my senses tell me to stop  
I want to kiss you but I want it too much (too much)

I want to taste you but your lips are venomous poison,  
yeah  
I don't want to break these chains  
Poison, oh no  
Running deep inside my veins,  
Burning deep inside my veins  
It's poison  
I don't wanna break these chains  
Poison
