The Eyes Of A Child

When you look to the past for lifes long hidden
meaning
For the dreams and the plans made in your youth
Does the thrill to achieve match the warm hidden
feeling
That lies so still and lives in you
In the eyes of a child there is joy, there is laughter
There is hope, there is trust, a chance to shape the
future
For the lessons of life there is no better teacher
Than the look in the eyes of a child
Youve found the place to walk the path youve chosen
Youll never miss the world youve left behind
When life gives life, its happiness unbroken
When you give love, its love youll find
In the eyes of a child there is joy, there is laughter
There is hope, there is trust, a chance to shape the
future
For the lessons of life there is no better teacher
Than the look in the eyes of a child
In the eyes of a child there is joy, there is laughter
There is hope, there is trust, a chance to shape the
future
For the lessons of life there is no better teacher
Than the look in the eyes of a child
In the eyes of a child there is joy, there is laughter
There is hope, there is trust, a chance to shape the
future
For the lessons of life there is no better teacher
Than the look in the eyes of a child
